## CHRISTIAN GREETINGS:

We of the above committees have made the attempt to register in these pages some of the events of this happy and prosperous school term.

As we send out this book we pray that it will serve as an inspiration to all young people desiring to be in the service of the Lord.

May I express grateful thanks to the staff who worked so diligently and gave unstintingly of their time, to produce this year book. Also a special "thank you" to Brother Pritchard and Brother Sheppard for their invaluable assistance as advisors.

To each and every one, we of the year book staff say: May the Lord's richest blessing be yours.

Yours in Christ,

The Editor.

GLEN S. McLEAN, Pastor

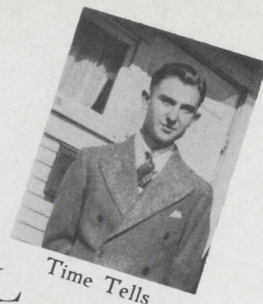

A. D. MARSHALL, Assistant Pastor

The Church with an evangelical, Bible-centered ministry  
Fellowship with students always highly cherished

## OUR PRINCIPAL

Drooping heads always perk up when our Principal comes in to take a class, because we can be sure that there'll be a few interesting demonstrations to clarify a point here and there as we study verse by verse through the Book of Acts.

Brother McLean also teaches the Epistles of Romans, Holy Spirit and Tabernacle Studies. His sound and descriptive teaching of the Word of God is valued highly by the students, the more he teaches the more we want to learn.

We as students have a deep appreciation and heartfelt gratitude for the work God has enabled Brother McLean to accomplish in the Bible School, we know that his teaching will leave a lasting impression on our hearts.

## OUR DEAN

"Say, who's taking the next class?"

"A. D."

"What, and me without my dictionary!"

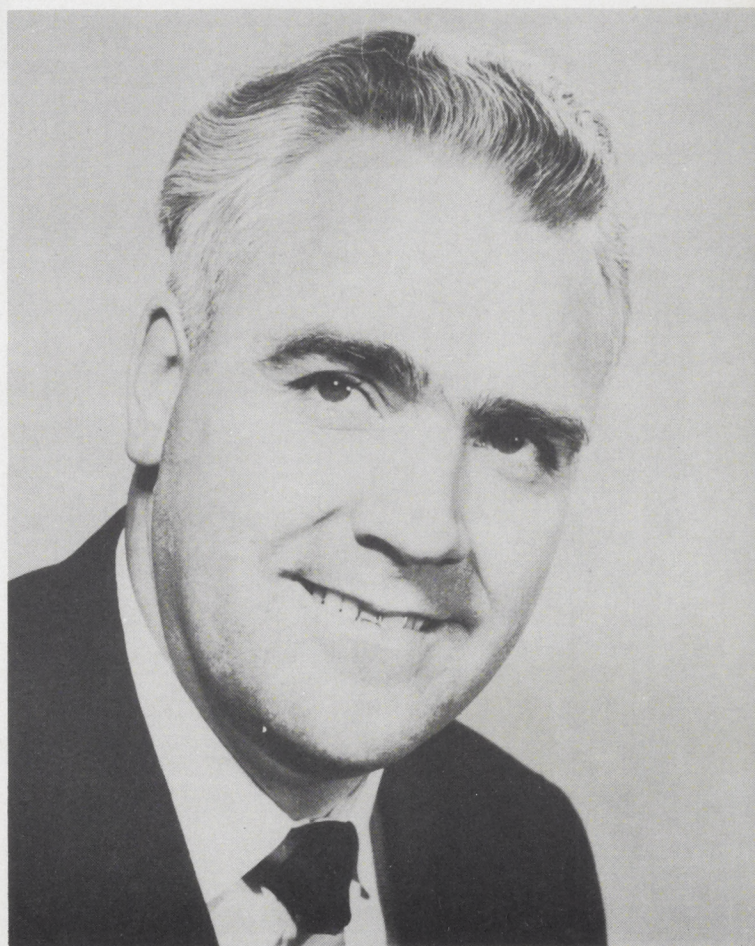

Dictionary or no, we students thoroughly enjoy and appreciate our Dean's classes. He has a knack for bringing to life men and events that have gone to make the history of the Christian Church.

In imagination we are whisked backward into the fourteenth and fifteenth centuries, entering the Augustinian convent at Erfurt, Germany, with Martin Luther. Or else going through the "Reign of Terror" of the 1555-98 Reformation.

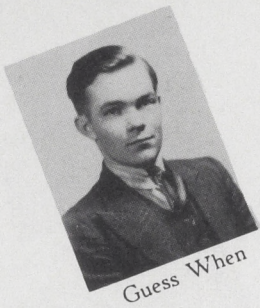

Other subjects taught by Brother A. D. apart from Church History are, Christian Evidence, verse by verse studies of the Gospel of John, English Bible, False Cults and Pastoral Theology.

Another vital part of his ministry is that of choir director.

The verve which Brother A. D. displays in his directing serves as an inspiration to the choir members, and they, as in times past prove to be a real blessing to listeners.

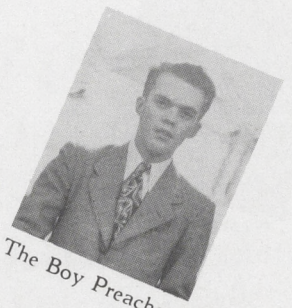

Guess When

Although Brother Pritchard has the responsibility of the Moose Jaw Assembly, we at F.G.B.I. feel that his ministry here is a very vital part of the Bible School teaching.

When Brother Pritchard teaches Bible Construction, Christology, Ecclesiology and Escatology, he teaches as he preaches, with all boldness of the full gospel.

His comprehensive knowledge of the Word of God combined with his keen sense of humour make classes a treat to which we always look forward.

We pray that the Lord will continue to use Brother Pritchard mightily in this God-blessed work, which is proving to be a blessing to students who come from far and wide to learn more of the Word.

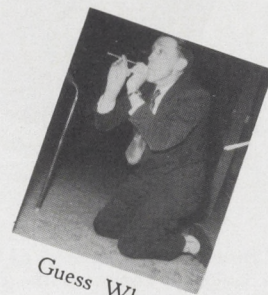

The Boy Preacher

For several years now Brother Sheppard has been on the teaching staff at F.G.B.I. His subjects include Bible Doctrine, Personal Evangelism and Ephesians.

Already with his life dedicated to world evangelism and a heart heavily burdened for the lost, his extensive travels at home and abroad in past years, as an evangelist, have gone to deepen his burden further.

Endued with the marvellous power of God upon his own life, it is a deep and sincere desire in his heart that he may witness the moving of the Holy Spirit among the students, for he knows from his own experience the joy it brings to have your life altered completely by God.

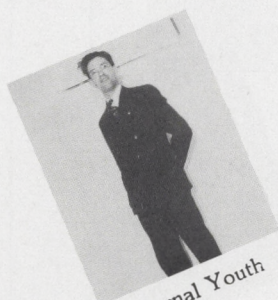

*Guess What*

Brother McRae is pastor of the Apostolic Mission Church in Regina, where he is greatly appreciated. Their loss is our gain when he comes to teach at Bible School for a short time each year. All at school consider it a privilege to have Brother McRae in our midst.

As a preacher and teacher he stands uncompromisingly for the Word of God. His sincerity in the teaching of the Book of Jude, Bibliology and Homiletics is unmistakable and leaves a deep impression on students.

We give God thanks for the service Brother McRae has, through His grace, rendered to the Bible School.

*Eternal Youth*

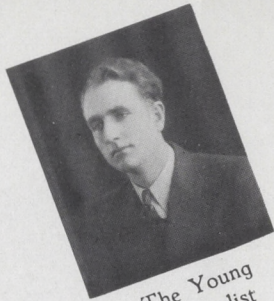

For the past number of years Brother Crowder has been a member of the F.G.B.I. teaching faculty. He takes the first semester of each year, faithfully teaching Child Evangelism, Pedagogy and Sunday School Administration.

He imparts to the students the great need there is for trained children's workers and Sunday School teachers, etc. The need is great, for the boys and girls of today are the men and women of tomorrow.

During the summer months "W. E. C." (as he is more frequently known by,) is director of Children's Bible Camps and also participates as director of a team of his own. Constantly he travels from place to place conducting teacher training courses in the interest of better Sunday Schools and more skilful workers.

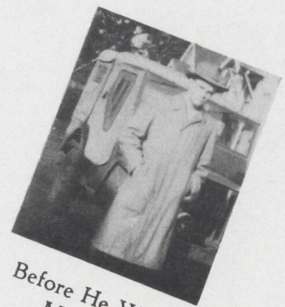

*The Young  
Evangelist*

Brother Kosick, pastor of the Full Gospel Church in Calgary, comes to the Bible School each year for a short teaching period. His visit has always been a blessing and inspiration both in classes as well as in the pulpit.

He recently took a world-wide missionary tour, visiting as many as twenty-one countries. We are looking forward to seeing the many slides he has of his visits to India, Africa and the Holy Land, also a coloured movie of part of his travels which he shows along with the slides to impart to those at home the great need for workers on the mission fields.

Brother Kosick takes a keen interest in the work of the young people and Sunday School departments of his assembly.

His radio broadcast over CKXL every Sunday morning enters many western homes with the wonderful gospel message, for which we can praise the Lord.

*Before He Was  
Married*

Bro. R. T. Wilson is a former graduate of F.G.B.I. We were privileged to have him back as a teacher for the first semester. He taught Bible Doctrine to the first and second year students and Christology to the third year class which proved to be very interesting subjects.

Bro. Wilson found a place in the heart of the Young People in Eston. Every Friday afternoon after he had finished his classes for the day, he was found teaching the lesson in the "Young People's Happy Hour Club."

Bro. Wilson is pastoring at the Full Gospel Church in Craigmyle, Alberta.

His pleasant personality and his love for young people, proved a blessing to everyone.

# OUR STAFF

**MURIEL CARRUTHERS**

Heb. 13:8

Muriel, a former graduate of F.G.B.I., has joined our staff this year to take over the cooking duties for the school, together with Helen Peregraym. Muriel, a faithful gospel labourer from the north, who has opened up the works in Elkpoint and Kitscotty, Alberta, has also pastored in different other places in the north country.

**HELEN PEREGRYM**

Rom. 6:23

Helen came from Blackfoot in Alberta. We thank God that He has led her steps to Eston this year, giving her a desire to serve Him. Both girls have won the hearts of the students, not only because of their excellent cooking abilities, but through their ever-ready smile, kindness and co-operation.

## PEARL KROGEL

Pr. 3:5, 6

Pearl has served the Bible Institute a number of years now. Faithful and kind she has become a vital part in the training of young people for God. Even though hidden behind the scene, without her help Bible School could not have been what it is. In co-operation with Brother Burnside she is responsible for the office work of the school.

## OUR NURSES

Miss Mavis Stein, R.N.

Miss Flo Wilson, R.N.

## RONNIE BURNSIDE

Ps. 90:12

Brother Burnside from Pangman, Sask., came as a much needed help in the office department of the school. As manager he has great responsibilities and burdens resting upon his shoulders. We do thank God for his love and interest in doing this sacrificial work for the Master alone.

WITH BEST WISHES IN  
OUR LORD JESUS CHRIST,  
TO THE  
PRINCIPAL, STAFF,  
STUDENT BODY AND  
GRADUATING CLASS  
OF F.G.B.I.

DR. W. J. ERN BAXTER, Pastor  
JAS. H. NICHOLLS, Ass't Pastor

1 Cor. 15:58

Therefore, my beloved brethren, be ye steadfast,  
unmovable, always abounding in the work of the  
Lord, for as much as ye know that your labour is  
not in vain in the Lord.

Full of expectancy, but shy and rather self conscious, was that group of new students that arrived in the fall of 1954 to begin their first year in F.G.B.I.

They met curious but friendly looks by the older students, who just didn't know what to make of the freshmen.

As time went on, a deep love and appreciation one for another grew into inseparable bonds. The teaching of the Word of God and the guiding of the Holy Spirit into sweet fellowship did something to these young lives that nothing else could have done.

William Hawke of Hudson Bay, Sask., was chosen to represent the class before the student council. Thirty-five students enrolled, coming from different walks of life in the four provinces of Western Canada. Four came from U.S.A., one from England, and one from Germany. Two students failed to return after the Christmas holidays, joining the U.S. Airforce.

At their return for the second term, it was their privilege now to watch the new-comers. Twenty-four of the original class returned, and one new student joined them. This term too, was greatly enjoyed by all.

It was the lot of Ralph Lemke of Calgary, Alta., to be the spokesman of the class for this year.

Through the choir tour in the next spring, a wonderful field of service in singing and Child Evangelism opened up. Camp work followed the choir itinerary.

The third term brought more back than expected to the study of God's word. A new record was set for F.G.B.I. by this, the largest graduating class of twenty students. Only one more year to go.

William Lindberg of Fosston, Minn., was elected to be class representative. Alan Mortensen of Calgary, Alta., served as president of the student body.

All of the graduating class feel a deep gratitude and love to the members of the faculty and staff for their faithful ministry to them in the past three years, and wish the Lord's richest blessing upon their further ministry.

# China-Korea-Japan Prayer Band

Missionary activities of the China, Korea and Japan prayer band were launched this 1956-57 term upon the scripture "But if our light be hid, it is hid to them that are lost." II Cor. 4:3.

Feeling the necessity of prayer for our missionaries our band gathered every Monday night. We know that through our prayers God not only worked in the midst of our missionaries, but also challenged our own hearts causing us to see how greatly those who were passing on into a Christless eternity needed Christ too.

Visiting missionaries were greatly appreciated when ministering in our chapel services at morning devotions, for they were able to present in a few words the urgent needs of their mission fields.

# Home Missions Prayer Band

It is seldom that the homeland is looked upon as a needy mission field. Therefore, each time the members of the Home Missions prayer band minister to the students in morning devotions, they deem it not only a privilege but a responsibility to remember the many burdens and prayer requests of those labouring in the various fields of service in the vast expanse of the Home Mission field.

Thus enlightened, all who feel the call of God to missionary work, give the homeland, this whitened harvest field, much serious thought and prayer "Where there is no vision, the people perish:" Prov. 29:18.

# ISLAND WORLD PRAYER BAND

The members of this prayer group cover the islands of the world in their prayers.

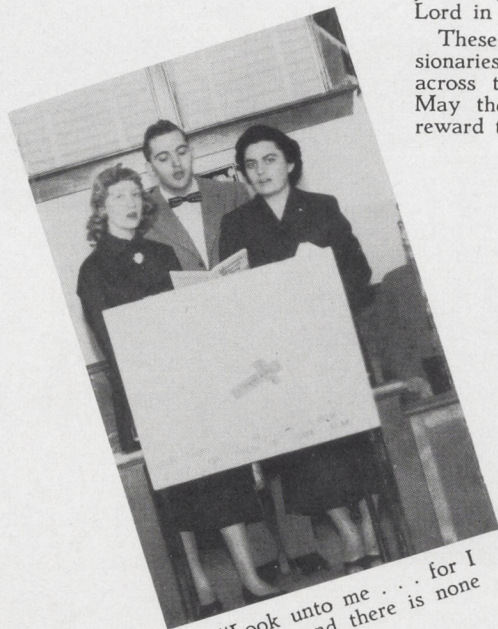

Reports come in frequently from these fields and are eagerly read out to the whole student body during Wednesday morning devotions.

The light of the Word is being shed abroad by faithful missionaries in Jamaica. In the "Faith Home" orphanage which is managed by Sister O'Sullivan, and where our own F.G.B.I. graduate Sister Rose Dediluke labours.

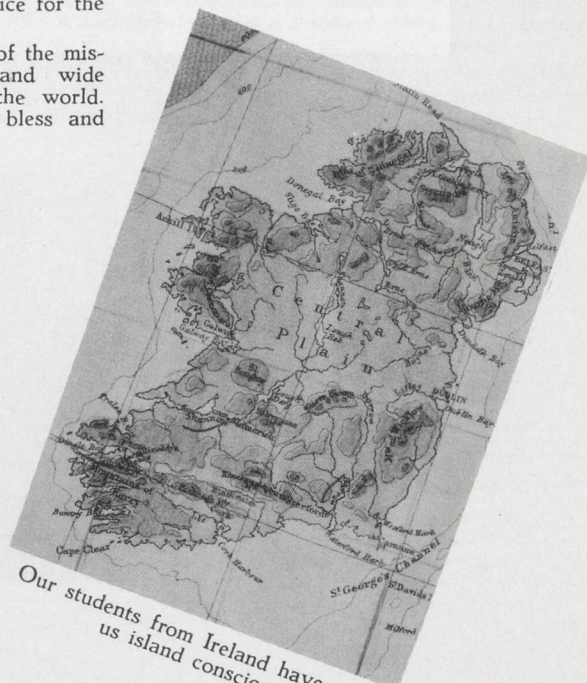

In Cuba, Rev. Lopez has a broadcasting ministry and is able to reach many with the wondrous gospel message. Rev. and Mrs. Ware also are labouring in Cuba. Rev. and Mrs.

J. Thompson are in service for the Lord in Puerto Rico.

These are just a few of the missionaries spread far and wide across the islands of the world. May the Lord greatly bless and reward their efforts.

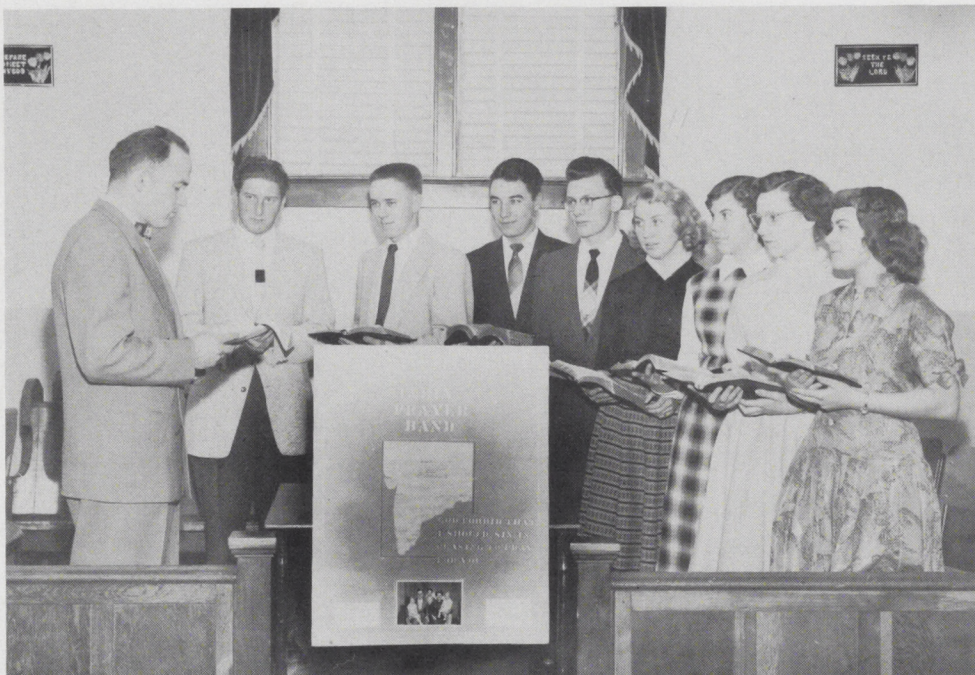

"Look unto me . . . for I am God, and there is none else." Isa. 45:22.

Our students from Ireland have made us island conscious.

# INDIA PRAYER BAND

The India prayer band represents the following Irish and Canadian missionaries. From Ireland, Sister S. F. Beardwell, Rev. and Mrs. S. W. Law, Rev. and Mrs. D. C. Lewes, Sister M. Paint, Sister C. M. Paint.

From Canada, Rev. and Mrs. G. Shalm, Sister Ashley and Sister Steeves, Rev. and Mrs. G. Neilson.

Since the Rev. G. Neilson has been home on furlough, the Rev. Lawson Barber and family are making plans to go to the land of India. We have a special interest in Brother Barber's plans because he is a board member of F.G.B.I.

We of the prayer band count it a privilege to hold these servants of God up in prayer as they spread the gospel.

# SOUTH AMERICAN PRAYER BAND

South America is a country that is rich with the souls of men, but these precious souls know not of the Christ whom we serve.

The large percentage of the people of this land are held in the clutches of Roman Catholicism, while the remainder of the native savages of the jungle tribes have never yet heard the gladsome message of salvation through our Lord Jesus Christ.

It was at the hands of such savages that many of our Protestant missionaries have given up their lives. As the recent murders of the five missionaries to the Aucas come to mind, we are spurred on to greater efforts in reaching the heathen with the glorious gospel message.

Yet these martyrs have meant the coming of many other missionaries to take their place. It is for the many labourers such as these in this land that our prayer group has been organized.

We of the prayer band praise God "for the responsibility and privilege which is ours to pray for this needy land. We are claiming some of the inheritance which the Lord has granted to us. *Psa. 2:8*, "Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession."

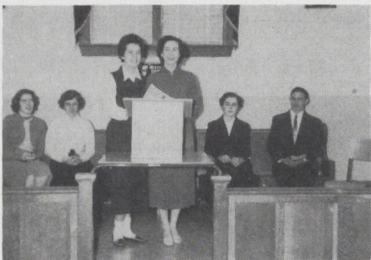

# AFRICA PRAYER BAND

Africa is a land overflowing with souls still held in the grip of heathenism. We of the prayer band feel the burden to pray diligently for Africa's myriads of people. We represent both the missionaries in French West Africa and South Africa.

It is a joy to have the Rev. and Mrs. Stanley King home on furlough at this time, from French West Africa. We were greatly challenged as we listened to Brother King's heart stirring message recently at morning devotions. Of the thousands across this "dark continent" who have never heard the gospel of Jesus Christ.

It is our prayer that the Holy Spirit will continue to work through our faithful missionaries to bring salvation to Africa's millions.

# EUROPE PRAYER BAND

We of the Europe prayer band have found a real blessing in corresponding with several of the missionaries in various parts of Europe. In this way we have learned first hand of the work there being accomplished.

In Portugal, the Lord is richly blessing the efforts of the Rev. and Mrs. Frank Smith in their work at Coimbra. Also the Rev. and Mrs. Colin Bowker at Corville, and the Rev. and Mrs. Tage Stahlberg, Lisbon.

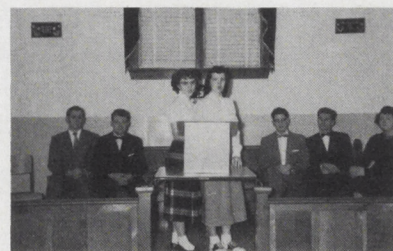

The Rev. Roberts is doing a great work in France, the Rev. and Mrs. Briscoe also are doing extensive evangelistic work in that country.

The Lord is greatly blessing the work of the Janz quartet.

Seventeen native evangelists are being supported by the Every Creature Crusade, they are also printing thousands of copies of Christian literature.

In August of this year there is to be a Youth for Christ congress meeting in Copenhagen, Denmark.

We of the Europe prayer band will continue to pray diligently for the Lord to give wisdom, strength and anointing to these dear missionaries, also the many others which lack of space prevents us from mentioning by name.

Have musical talents dedicated to the Lord

The choir of some forty voices under the capable leadership of Rev. A. D. Marshall, musical director, and Mrs. Gillis Killam (standing left), pianist, is indeed a very important and essential part of Bible School life. Here is an opportunity for students to give freely of their talents to the Lord.

Besides the choir work, emphasis is given to congregational conducting. This is an essential to young people entering gospel work.

Last spring, the choir, consisting of seventeen members with "Bro. A.D." as director and Miss Marjorie Spicer as pianist and Brother Ian Lockie as assistant speaker, travelled through Saskatchewan and Alberta, right from the Manitoba border west to Calgary, from Kincaid in the south to Cold Lake in the north. The choir travelled for forty-eight days in which time they conducted sixty-one meetings in forty-two assemblies (an increase of fourteen new assemblies over former years). Travelling in all a total of five thousand miles. The choir finished their tour by attending the Annual Conference at the Apostolic Church in Saskatoon, feeling the Lord had wonderfully blessed their service for Him.

Plans are under way at present for another tour this spring, the Lord willing.

If you desire the choir to visit your locality contact Rev. A. D. Marshall, F.G.B.I., Eston.

#### OFF TO EATONIA

Left to right—Harold Cain, Joyce Silvester,

We would give praise to the Lord for what he has done in Happy Hour throughout the years and this year is no exception. We have had the opportunity of holding Happy Hour in Eston, Lacadena, Eatonia, Brock and Wartime. We count it a privilege to be in such a great work, teaching the boys and girls about the Lord Jesus Christ.

In each of our departments we have a leader who is not only capable of teaching but also training new workers.

In this hour with the children, we provide Bible Quiz contests, object lessons, memory verses and an adaptable lesson from the Word of God.

Throughout the year we hold Happy Hour Rallies which have proven to be a great blessing.

How blessed it is to lead a boy or girl to the Lord Jesus knowing he or she has a whole life ahead to serve our Wonderful Lord and Master.
